

Room In The Inn Driving Instructions

Please arrive between 5:45 and 6:30 p.m. to pick up your guests. You will no longer be pulling into the alley beside the Room In The Inn building. It is now permanently closed to traffic.

From 8th Avenue, turn on to Drexel Street. It is the street next to Room In The Inn. If you are coming from downtown, you will turn left on Drexel. If you are coming from Franklin Road, you will turn right on Drexel.

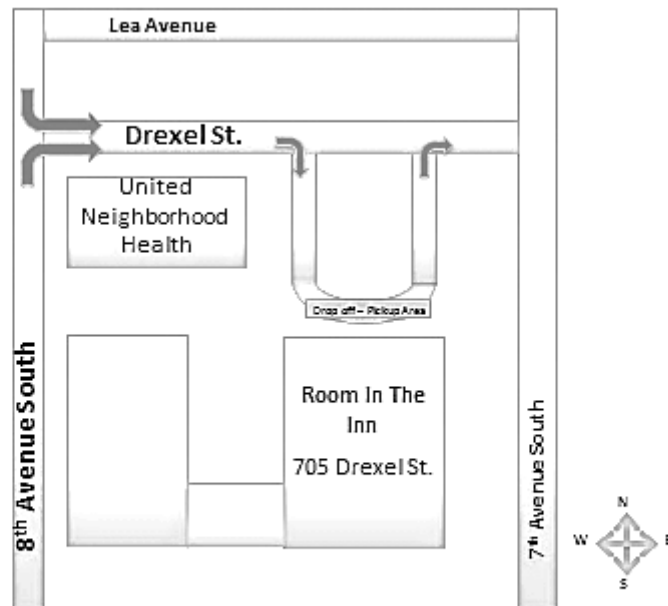

You will see our parking lot on the right after turning onto Drexel. The parking lot is marked by a brick wall with a large sign for Room In The Inn. Pull in the first entrance and follow the arrows around the semi-circle drive. Please park your vehicle forward as far as you can so other vehicles can pull in behind you.

Please remain in your vehicle. A volunteer will let Room In The Inn staff members know you have arrived. Your blankets will be brought to your vehicle. Within just a few minutes, your guests will be escorted to you.

After your van is loaded, you can exit left out of the parking lot on Drexel and continue to 8th Avenue.
